Aero Commerce Setup Guide

Obtaining the API keys from Aero Commerce

Visit this page to acquire the credentials to set up your sales channel. Our page provides step-by-step guidance on obtaining these credentials, which are essential for the setup process.

Installing the Aero Commerce Sales Channel

To add the Aero Commerce sales channel to your Channels account, kindly adhere to the following steps:

1. Access your account and go to the left side of the screen. Click the "Stores" button.
2. If you already have a store, click "View Store" on the right side of the screen to access it.
3. To edit an existing store, click the edit button on the right side. If you need to create a new store, click "+ ADD" above, name it, and use the edit button to make changes.
4. Click "+ ADD" in the Channels section to begin the installation.
5. A window will appear in the centre of the screen. Choose "Aero Commerce" from the list of available channels.
6. Provide the required information:
   - **Channel Name:** In the provided field, you can enter any name you desire. However, it is recommended to choose a name that has meaning to you, such as "Aero Commerce", as it will serve as an apparent reference for the source of the order in the future.
   - **Domain & Access Token:** Please enter the information obtained from the Aero Commerce platform, as previously shown. It is essential to ensure that these fields are filled in correctly to access your account.
7. After filling out the fields, customize other options, then click "Save" in the bottom-right corner.
8. You'll be back in the recently installed channel. Activate it at the top of the screen using the "Is Active" button.

Congratulations! You've successfully set up your Aero Commerce sales channel on Channels. You can now sell products on Aero Commerce and manage orders from your Channels dashboard.
