Obtaining the API keys from C-Discount

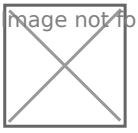

Visit this page to acquire the credentials to set up your sales channel. Our page provides step-by-step guidance on obtaining these credentials, which are essential for the setup process.

Installing the C-Discount Sales Channel

To add the C-Discount sales channel to your Channels account, kindly adhere to the following steps:

1. Access your account and go to the left side of the screen. Click the "Stores" button.
2. If you already have a store, click "View Store" on the right side of the screen to access it.
3. To edit an existing store, click the edit button on the right side. If you need to create a new store, click "+ ADD" above, name it, and use the edit button to make changes.
4. Click "+ ADD" in the Channels section to begin the installation.
5. A window will appear in the centre of the screen. Choose "C-Discount" from the available channels list.
6. Provide the required information:
   - **Channel Name:** You can input any desired name into the designated field. Nonetheless, it is advisable to select a name that holds significance to you, such as "C-Discount," as it will serve as an apparent reference to the source of the order in the future.
   - **Client ID & Secret, Seller ID:** To access your account, you must fill in these fields with the information you previously obtained from the C-Discount platform, following the instructions. It is crucial to ensure that these fields are accurately completed.
7. After filling out the fields, customize other options, then click "Save" in the bottom-right corner.
8. You'll be back in the recently installed channel. Activate it at the top of the screen using the "Is Active" button.

Congratulations! You've successfully set up your C-Discount sales channel on Channels. You can now sell products on C-Discount and manage orders from your Channels dashboard.
